RE: Amendments to June and July Monthly Reports

Dear Corbin --

I am in receipt of your letter, dated July 11, 2008, concerning some discrepancies on my June Monthly Report related to my calendar year to date numbers.

I reviewed those numbers and discovered a \$200 contribution made in January 2008 that was originally coded as a memo entry related to a transfer of joint funds from the Victory NOW/Mike Honda Joint Fundraising Committee to Victory NOW PAC. It looks like it recently was changed so that it was no longer a memo entry tied to this transfer. This change affected the calendar year to date totals.

I have corrected that contribution entry so that it is a memo entry connected to that joint funds transfer, and all of the calendar year to date figures should be correct now.

I amended both my June Monthly Report and my July Monthly Report to correct this error.

If you have any questions at all, please feel free to contact me at 301-946-3804 or jenny.kensington@verizon.net.

Thanks.
